(K) 11.9.49

The Government were pleased to sanction in the G.O. cited above the retention upto 30-9-49 of the post of a female warder in the sub-jail at Bellary . I was asked to apply for the permanent retention of the post of the female warder at the end of the period.

2/ It is quite essential to employ a female warder permanently for the following reasons:-

It is seen from the report of the Sty.S.M,Bellary that there would be about 10 female prisoners on average in the sub-jail

Bellary, being the head quarters of the District, all female prisoners committed to the Sessions have to be lodged in this sub-jail as there is no accommodation in the Centtal Jail,Bellary at Bellary.

Female ~~warders~~ prisoners enroute to Vellore Women's Jail from other sub-jails in the District have to be admitted in the Sub Jail, if they arrive at Bellary after the departure of trains

It is likely that a large number of women would be involved in Prohibition cases. It is not safe to entrust to males the keys of the cells in which the women prisoners are admitted. Further it would be very difficult to get at female warder at short notice in Bellary with the result that some times the sub-jail will have to go without female warders. In order to obviate such a contingency a permanent female warder is absolutely essential.

M

3 For the reaons stated above, I request that a female warder's post may be sanctioned permanently for the subjail at Bellary.

H.E. the Governor of Madras sanctions the permanent retention of the post of ~~the~~ female warder in the Sub-jail at Bellary, ~~the retention of which was~~ last sanctioned in G.O. Rt. 2861, Home, dt 19-11-48, with effect from 1-10-49.

(C. No. 89262 N/49) Jails - Sub-jail, Bellary - Female warder - Permanent retention.

From the I.G. of Prisons, No. 1410/B4/49, d/13.9.1949.

In September 1945, the Govt. sanctioned the employment in the Sub-jail, Bellary of a female warder temporarily for a period of one year. The post has been continued from time to time. In October 1948 the D.M., Bellary recommended the permanent retention of the post for the reasons stated in his letter on p.3 c.f. of (K) and the I.G. of Prisons supported the proposal. In view of the Retrenchment and Re-organization Committee's proposals for retrenchment then under consideration, the Govt. postponed consideration of the proposal to sanction the post on a permanent basis and sanctioned the retention of the post temporarily till 30.9.49. The D.M. has now ~~reviewed~~ renewed his proposal for the permanent retention of the post - please see his letter on p.3 c.f. The I.G. of Prisons recommends the proposal for the reasons stated in para 2 of the D.M.'s letter.

2. In G.O. No. 780, Finance, d/19.7.49, the Govt. have laid down certain general principles regarding permanent retention of temporary establishments. So far as the Jail Dept. (including Sub-jails) is concerned, the Govt. have already decided not to give effect to the R.R. Committee's proposal to effect 12½% cut in staff. Proposals for the permanent retention of the staff in the Jail Dept. may therefore be disposed of in accordance with the principles laid down in para 3 of the Finance G.O. at (V) According to those principles, 50% of temporary posts which have been in existence continuously for over 3 years and less than 5 years may be made permanent immediately provided it is established that they are permanently required for dealing with the normal work of the Govt. and where in any office, there is only one temporary post in a particular category between 3 and 5 years old, that post may be made permanent. There is only one female warder employed in the Sub-jail, Bellary and she is employed since 1945 (i.e.) for over 3 years. With reference to the general principles referred to above, the post may be made permanent provided it is established that the post is permanently required

89262 N/49 G.I

for the normal work of the Govt. In his letter on p.3 c.f. the D.M. has explained in detail why it is essential to retain the post permanently. In the circumstances, the D.M.'s proposal to retain the post on a permanent basis may be accepted. The post may be made permanent from 1.10.49. (The pre---- sanction for the post extends up to 30.9.49.)
